- Dobrica Pavlinu's random unstructured stuff (create new adhoc interface)

- <http://www.open-mesh.org/wiki/batman-adv-quick-start-guide>

create new adhoc interface

```
iw phy phy0 interface add mesh0 type adhoc
```

```
ip link set mesh0 mtu 1524
```

```
iwconfig mesh0 mode ad-hoc essid open-mesh ap 02:12:34:56:78:9A channel 6
```

```
modprobe batman_adv
```

```
batctl if add mesh0
```
